### Swing

Straighten up and fly right  
Fever  
Bye bye blackbird  
My baby just cares for me  
Mack the knife  
Ain't nobody here but us chickens  
Take five  
Better than anything  
Lullabye of birdland  
The way you look tonight

### Ballad

Stella by starlight  
Nature boy  
Where is love  
What the world needs now is love  
I've grown accustomed to his face  
Loverman  
And I love her  
In my life  
Blue in green  
Body and soul  
But beautiful  
Since I fell for you  
Time after time
