

Audition Fee Refund for Bachelor of Music Performance applicants

Changes have been made to the School of Music courses (Bachelor of Music and the Bachelor of Music Performance) since the 2010 VTAC Guide was published. In order to minimise any potential inconvenience, the School of Music will refund \$60 of the audition fee charged for your application for Semester 1, 2010 to the Bachelor of Music Performance (included with your VTAC application fee).

In order to receive the \$60 audition fee refund, please send us a copy of the VTAC invoice plus proof that you have paid this invoice. As we need to cross-reference your request against VTAC's records, refunds will be processed at the end of September.

Refund requests should be forwarded to:

'Refund', Student Centre, Faculty of the VCA and Music, 234 St Kilda Road, Southbank 3006.

Further information about the changes to the Bachelor of Music and the Bachelor of Music Performance is available from www.bmus.unimelb.edu.au/apply/.
