

Melbourne's most eagerly anticipated annual art show  
**The 2006 VCA Graduate Art Exhibition**  
24 Nov – 2 Dec 2006

***The Graduate Exhibition is Melbourne's most eagerly anticipated annual art show. For nine days only, from 24 November to 2 December 2006, the entire School of Art at the VCA will be transformed into a vast gallery showcasing over 500 works from students graduating in 2006.***

Once a year, the VCA Art studios are dismantled and the doors are thrown open to the public. Graduating students from each of the School's departments - Drawing, Painting, Photography, Printmaking, Sculpture and Spatial Practice - as well as those completing Honours and Postgraduate courses, present some of the highlights from their years of study. The resulting show is a feast of drawing, prints, photography, sculpture, painting, screen-based and digital media by Australia's hottest new artists.

The annual Graduate Exhibition represents an opportunity for art lovers to enter this cultural laboratory, to have access to the intense artistic explorations and the creative energy that emits from VCA Art.

***Don't miss this rare opportunity to preview the next generation of Australian artists.***
