

## Mahler 5

**Marco van Pagee, Conductor**  
**VCA Symphony Orchestra**  
**at Melbourne Town Hall**  
**Friday 15 September, 8pm**

On Sunday September 15, the VCA Symphony Orchestra will present its final concert for 2006 with Gustav Mahler's 5th Symphony at the Melbourne Town Hall.

Marco van Pagee, Head of Orchestral Studies at the VCA, will conduct the VCA orchestra of Melbourne's most vibrant young performers.

The students in the orchestra are from the Repertoire stream at the VCA School of Music and for many this is their final graduating performance. As part of their studies at the VCA these students have received comprehensive training in solo, chamber music, and orchestral studies - encouraging their development as well rounded and highly skilled practising musicians.

This concert is generously supported by the City of Melbourne and the C&C Rigg Bequest.
